"Stop picking at the edges of the world. Take advantage. And if you can't take advantage, take disadvantage. We live here. On this planet, in this nation, in this country right here. No where else! We got a home

in this rock, don't you see! Nobody starving in my home; nobody crying in my home, and if I got a home you got one too! Grab it! Grab this land! Take it, hold it, my brothers, make it, my brothers, shake it, squeeze it, turn it, twist it, beat it, kick it, kiss it, whip it, stomp it, dig it, plow it, seed it, reap it, rent it, buy it, sell it, own it, build it, multiply it, and pass it on - can you hear me? Pass it on!"

Did you hear about the rose that grew from a crack
in the concrete?

Proving nature's law is wrong it learned to walk
without having feet.

Funny it seems, but by keeping its dreams, it
learned to breathe fresh air.

Long live the rose that grew from concrete when no
one else ever cared.

Farewell, farewell! But this I tell
To thee, thou Wedding Guest!
He prayeth well, who loveth well

All things both great and small;
For the dear God who loveth us,
 He made and loveth all.
